### Biography

Wanda Maximoff, also known as Scarlet Witch, is a character from Marvel Comics. She was created by Stan Lee and first appeared in *The X-Men #4*. She has the ability to alter reality as she was shown as a powerful asset to the rest of the Marvel characters in the 1980s. Her and her twin brother, Pietro Maximoff (also known as Quicksilver) are both founding members of the Brotherhood of Mutants. 1 year after she had received her powers, she joined the Avengers and has been helping fight crime ever since. In 1975, she got married to Vision and later got pregnant with her twin sons, William and Thomas.

### Parental Background

Since Wanda and Pietro were adopted by a couple, the mystery of who their birth parents are is still true. They were dropped off to a geneticist named the High Evolutionary. In 2015, Wanda and Pietro realized that they are not actually mutants and that they were part of an experiment. The television serial, *Scarlet Witch*, reveals that their adopted parents Django and Marya Maximoff are actually their aunt and uncle by blood. The real mother was actually Natalya Maximoff, who was the previous Scarlet Witch.

### TV Shows

Wanda Maximoff has been in many shows, including some of her own which she starred in, such as *Wanda Vision*. She appears in many Marvel movies, shows, video games, etc. She appears in *Captain America*, *The Avengers: Age of Ultron*, *Civil War*, and *Doctor Strange*.
